

ASMA'S MONTESSORI

The Admission process for second intake of new admissions for the 'MONTESSORI SECTION', ACADEMIC SESSION 2023 – 2024, will be commencing on **Saturday 4th February 2023**.

AN OVERVIEW OF OUR MONTESSORI PROGRAM

The Montessori Education System as well as our Academic experience of over 25 years informs us of the benefits of a mixed age group classroom, Elder students learn responsibility and empathy as well as patience and younger students settle down faster in the new environment. There is an effortless learning while sharing material and observing the adults as well as peers.

Our aim is that learning should come naturally and should not be forced. A love for knowledge inculcated in young minds is our aim. The Montessori directress does not enforce, rather she directs and guides the child towards his/her own natural urge to know more about the beautiful world around him/her.
